CIGAR

Montecristo Mini Cigarillos

29

Montecristo minis are an excellent cigar for those with little time on their hands to enjoy a puff of cuban magic. Well balanced with a medium flavour.

Romeo Y Julieta No. 3

93

Spice, cedar and leather make this mild cigar a nice little treat. With a good burn and very good construction this is very enjoyable.

H Upman Coronas Major

98

The beginning gives unexpected spicy punch, which quickly changes to a mix of wood.

Montecristo #4

137

The biggest selling handmade Habano in the world. Tonnes of flavour, without being full in body, spicy and peppery but at no point overwhelming.

Partagas Serie D4

176

It's something unusual and this Cuban is nothing like the other Cubans you did or will smoke. Some flavours of nuts kicks in after, roasted coffee and more earthy undertones

Cohiba Exquisintos

181

Ideal starter cigar for those wanting to discover the best of Havana. Quick burning, fresh, flowery and packed with spicy flavors the Exquisitos makes for a casual smoke.
